## Sign Building Permit Application

All of the following items noted below shall be submitted when applying for a building permit for a Sign Installation.

*Reviewing and processing a permit application can take up to ten business days to complete once all the required documents have been received.*

*\*\*Any forms required below can be found under the forms/applications tab on my website, melstrominspections.com*

- 1 A completed and signed building permit application, backside of this page. Contractors shall be licensed.
- 2 If you are the applicant who owns the project property address that will be completing the permit application, a signed cautionary statement will need to be submitted.
- 3 A site plan: A site plan is a bird's eye view of your property. The site plan shall include a North directional arrow, property lines, street(s), existing buildings, and the proposed sign location. To be included in the site plan shall be the distances from the proposed project to all property lines, streets, and/or any other structures on the property.
