## ***Fence Building Permit Application***

All of the following items noted below shall be submitted when applying for a building permit for a fence.

*\*\*Any forms required below can be found under the forms/applications tab on my website, melstrominspections.com*

*Reviewing and processing a permit application can take up to ten business days to complete once all the required documents have been received.*

- 1 A completed and signed building permit application, backside of this page.
- 2 If you are the applicant who owns the property and who currently resides at the project property address completing the permit application, a signed cautionary statement will need to be submitted.
- 3 A site plan: A site plan is a bird's eye view of your property. The site plan shall include a North directional arrow, property lines, street(s), existing buildings, proposed fence placement. To be included are the distances from the proposed fence location(s) to all property lines, streets, and/or ally ways. Use the graph page below, if needed.
- 4 Details of the fence installation. Required would be materials, styles, gates, height. Provide documents.
