

Melstrom Inspections, LLC

PLEASE NOTE:

- 1 If this garage is used for sleeping purposes, **Stop.** A structure to be used as a sleeping place is considered a dwelling and will need to be permitted as such.
- 2 If this project involves electrical or plumbing, additional inspections and licensing requirements may apply. See notes under the garage/shed details section.

Town of Springfield Garage/Shed Permit Application

Reviewing and processing a permit application can take up to ten business days to complete once all the required documents have been received.

Electrical Permit Code: SPS 316.012, WI Administrative Code, If the garage/shed for which you are applying for will be used for agricultural/farm use and it involves the installation of a new or an addition to any electrical service, electrical feeder, or an electrical branch, an electrical permit and inspections will be required.

Electrical License Code: Per Wisconsin State Statutes 101.862(4)a, and 145.06(4)a, only a home owner who owns the property and currently resides at the residence is allowed to be the electrical contractor. The electrical wiring to be completed in a building for agricultural/farm use shall be completed by a Wisconsin Electrical Contractor and a Wisconsin Master Electrician to be responsible for all the electrical work that is being completed.

Plumbing Inspection Code: SPS 382.21(1) WI Administrative Code, Except as provided in SPS382.21(1)(a), all new plumbing and all parts of existing systems which have been altered, extended, or repaired shall be tested and inspected as specified in SPS382.21(2) to disclose leaks and defects before the plumbing is put into operation.

Plumbing License Code: WI State Statute 145.06(4)a, WI State Statute 145.06(1) shall not apply to plumbing work done by a property owner in a one-family building owned and occupied by him or her as his or her home or farm building, except where such license is required by local ordinance.

One of the two boxes shall be checked:

☐ I vouch that I am or will be the owner-occupant of this dwelling for which I am applying for a building permit without a dwelling contractor license and have submitted a signed the cautionary statement regarding contractor responsibility. I certify that the information provided on this application is accurate. I understand that I am subject to all applicable codes, conditions of this permit, laws, statutes, and ordinances. I understand that the issuance of this permit creates no legal liability, express or implied, on the state, municipality, building inspector, and the inspectors authorized agent. I understand that the work installed with this permit is subject to inspection and I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which the permit is sought at all reasonable hours to inspect the work which is being done.

☐ I vouch that: I am the WI credentialed contractor and I am in a contract for the described work per this application. I certify that the information provide on this application is accurate. I understand that I am subject to all applicable codes, conditions of this permit, laws, statutes, and ordinances. I understand that the issuance of this permit creates no legal liability, express or implied, on the state, municipality, building inspector, and the inspectors authorized agent. I understand that the work installed with this permit is subject to inspection and I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which the permit is sought at all reasonable hours to inspect the work which is being done.
